

ABOUT NEW AGE SERVICES

New Age Services Corporation (NASC) is a full spectrum behavioral health services provider that has been serving Chicago and its surrounding communities for over 32 years.

We are committed to enhancing the quality of health of every person, and the communities we serve. We offer an integrated approach to health issues.

We provide substance abuse, mental health, and health screenings.

Education and outreach are key in helping individuals understand their health risk. We are committed to reaching out to the communities with facts and figures about health risk. We provide people with the help they need to live healthy lives.

*Call us today
for a
healthy tomorrow!*

We make referrals to all support services including, medical testing/full physicals, counseling, lab work, and transportation.
